

DEPARTMENT OF FINANCE BILL ANALYSIS

AMENDMENT DATE: April 9, 2008
POSITION: No position

BILL NUMBER: SB 1426
AUTHOR: R. Calderon

BILL SUMMARY: Recycled Material

This bill would require the Department of General Services (DGS) to post on its Internet Web site information to assist businesses in determining if their products, materials, goods, or supplies offered or sold to the state meet the minimum content requirements of recycled materials as specified in current law.

FISCAL SUMMARY

As minimum content requirements are codified in Public Contract Code Section 12209 and DGS's bid specifications provide standards used to verify those requirements, we estimate that making that information available on DGS's Internet Web site would be minor and absorbable.
